

Rain Barrels

Rain Barrel - \$65.00

Rain Barrel Features:

- ◆ Made from recycled, plastic food grade barrels
- ◆ Barrel lids have 1-inch holes with screen mesh to keep out debris and mosquitoes
- ◆ Three top overflow male hose connections with caps (overflow hose not included)
- ◆ Nylon on/off spigot
- ◆ Bottom drain plug
- ◆ Exterior UV polish is included

Benefits:

- ◆ Conserves water for outdoor use during dry periods
- ◆ Protects local streams and rivers by reducing volume of stormwater runoff
- ◆ Saves homeowners about 1,300 gallons of water during peak summer months
- ◆ Naturally "soft" rainwater is ideal for plants
- ◆ Rain water is FREE
